Summary: I don't love you...

I Don't Love You

Ash, you know I love you. I love you like a brother. You're great to have around. You're funny and happy and wonderful. You're one of my best friends. I'm not ready for a relationship with you, Ash. Maybe I'll never be.

Brock, you're like a big brother to me. I love you, too, but not in a commitment way. You're so very wonderful.

I'm in love with the Pokemon. They are my life. They're so different and everyone is so special, even Psyduck. I can commit my life to the Pokemon, because they commit their life to me. We have a bond, and love couldn't ever tear it apart.

Kenji (Tracy), I don't know about you. We've only known eachother for a few days. I don't think you could ever tear me apart from the Pokemon. Maybe you'll be the one. I don't know. Maybe someday, but not yet.

Todd, you take wonderful pictures. Oh! They're really stunning. But you're someone that left before I could know if you're the one for me. Maybe we'll meet again someday, and maybe we'll know then.

I'm only twelve. I shouldn't be worried about love. I have my whole life to pick and choose. The world won't end between four boys, even if they are my friends.

But I do love you, Togepi. You'll always be the one true love. I love you like a mother would. You're so special to me.
